

Our Attitudes and Behaviour

The School has the following four rules as part of our code of conduct, which the pupils and staff are expected to follow at all times and in all circumstances.

- These rules are taught, modelled and valued by all school staff.
- These rules are prominently displayed around the school and in the classrooms.
- Through the use of our agreed system we will achieve consistency; every member of our community has a clear understanding of the high expectations we have for attitudes and behaviour.

Expectations

At Tunbury Primary, we set very high standards for all members of our school (staff, governors, pupils and parents). As a result of our high standards we have created FOUR GOLDEN EXPECTATIONS which are:

1. No EXCUSES - Everyone must try their very best. If we fail first time, then we try again; we never give up and we never say never.
2. EVERYONE IS ACCOUNTABLE – The success of every pupil is the responsibility of every member of the school community.
3. EVERY SECOND COUNTS – Everyone must make the most of every learning opportunity.
4. EVERYONE MUST EXCEL – We encourage pupils and staff to be the very best that they can be.
