

Tunbury Primary School
 PE and Sports Grant expenditure
 2016 – 2017 awarded £10,645

	Action taken	Expected impact	Costs	Actual Impact of actions
Development of expertise within school	Progressive Sports (outside provider) to lead PE lessons throughout the school.	<ul style="list-style-type: none"> • To support teachers through CPD to enable them to plan, observe and teach PE lessons effectively, including teachers ‘team teaching’ with the coach. • To engage our pupils by improving their fitness and raising participation levels of the children, developing their sport-specific skills and increasing their physical abilities. • To raise standards in PE through consistent high quality curriculum provision by professional sports specialists. 	£4,500	Pupils taught by specialised coaches across a range of PE areas have allowed all pupils to develop a range of transferrable sports skills. The high-intensity lessons have developed the pupil’s fitness and have contributed to a healthier and more active lifestyle for most.
	PE leader to attend PE Conference	PE leader to broaden and develop curriculum subject knowledge relevant to leading PE within Tunbury School. This will continue to drive standards upwards and help to develop a cohesive and inclusive pathway for the future. In addition, develop an assessment system used across the school to track children’s progress throughout their time at Tunbury School.	£500	<p>Assessment folders have been developed for each class in the school. This has enabled the PE leader to monitor the progress of children and provided a clear image of how to manage and maintain progress at Tunbury.</p> <p>PE leader has also obtained reference resources to enrich the knowledge of developing PE through other curriculum areas.</p>

Tunbury Primary School
 PE and Sports Grant expenditure
 2016 – 2017 awarded £10,645

Increasing participation in competitive sports	<p>Entering and travelling to the Medway Mini Youth Games</p>	<ul style="list-style-type: none"> • Children will be entered into a range of competitive sports across the year allowing them to compete in healthy competitions and represent their school. • Children will travel to most of these events in mini-buses secured by this funding. 	£500	<p>Tunbury has entered into the MYG Swimming Gala this year and came 14th in the competition. We also entered the football tournament and came 15th in the competition.</p> <p>This has allowed pupils to develop their skills, compete against a range of schools, as well as develop pride in representing their school.</p>
Curriculum Development	<p>Ensure the school has a range of PE equipment and resources to support the delivery of high quality PE across the school.</p>	<ul style="list-style-type: none"> • To ensure there is sufficient quality equipment for all children to be active and to participate fully in lessons. • To provide increased learning opportunities through quality resources that will assist teaching and learning. • To ensure regular audits are carried out, leading to ongoing purchases, taking into consideration 'seasonal needs'. 	£1,745	<p>PE cupboard has now been moved to a spacious and organised outside building. All resources have been sorted and audited and new equipment has been purchased to allow the pupils at Tunbury to experience a broad and balanced PE curriculum with good quality resources.</p>
	<p>Support costs of travel to swimming lessons and contributes towards the total cost.</p>	<ul style="list-style-type: none"> • To ensure that pupils have the opportunity to develop their confidence and swim competently. • To give children the opportunity to achieve the curriculum expected distance of 25m. 	£5,935	<p>Pupils were given the opportunity to develop their confidence and swim competently at the local leisure center. Year 4 went swimming with a minimum expectation of reaching 25m across a 10 lesson teaching period.</p>
