Dear Parents / Carers of Year 5

Educational Onsite Visit

As part of their cross-curricular learning this term, the year 5 pupils will have the opportunity to experience the Astrodome's unique Space Show on **Tuesday 19th September 2017**.

During the experience the children will be taken on an imaginary space-flight from Earth to the outer edges of our solar system, whilst being taught the all-important movements of the solar system that affect our everyday life. This experience will be held in school and parents are asked to make a voluntary contribution of **£3** to cover booking costs. If sufficient costs cannot be met, then unfortunately, the event may have to be cancelled.

As this visit is onsite during the school day we do not require signed permission slips from you. However, if you would prefer your child not to participate in this learning activity please complete the form below.

Yours sincerely

Mrs. Harding,
Head of Year 5.

Year Five Onsite Educational Experience – Astrodome 19/09/2017

Only to be returned if you **do not** wish your child to take part.

I/We **do not** wish my/our child
from class to participate in Astrodome's unique Space Show experience.
The reason I/we do not agree to my/our child participating is: _____

Signed

Printed name
