Head Teacher Miss E. McIntosh B.A. Ed. Hons FCOT NPQH FColIT

2<sup>nd</sup> October 2017

To Year 1 parents

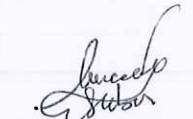

We are now in our fifth week of learning new French vocabulary. We have started learning numbers in French, saying hello and goodbye, asking for school dinner or pack lunch to name just a few!

We listened to a French story in which a rabbit was bored of eating carrots all the time, so went on the search to find new foods to try through his friends. On Friday 6<sup>th</sup> October, we would like the children to participate in a food tasting session in order to try new food and to answer in French. It will be a chance for them to learn about and taste some French foods such as; croissant, salami and olives. From this, we will be using our French skills to discuss our thoughts on the foods we have tasted.

As we will be working with a few different foods, please can you ensure you let your child's class teacher know if your child has any food allergies that we need to be aware of? If you would not like your child to participate in the food tasting session, please let the class teacher know in writing, using the reply slip below.

Thank you very much.
