**To all Parents and Carers**

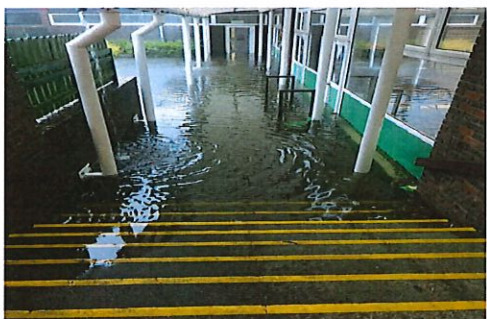

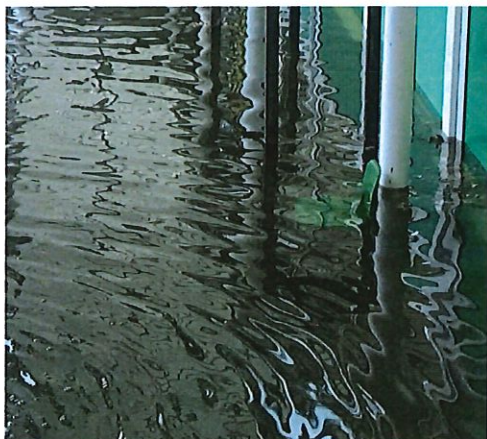

Dear Parents/Carers

Thank you for your patience and understanding while we have been dealing with the after effects of the flood. Parents in Years 1 and 2 have been informed of plans to bring the children back into a school environment.

We thought we would share with you some information on the situation.

Areas severely affected include; Main School Hall, School Kitchen, all Classrooms in Years 1 and 2, Sunshine Room, Toilets, Staff Room, Staff Offices, Music Room and lower corridor to the School Hall.

Photos:

Drying and cleaning of the areas has proved problematic with a lot of residual water in the walls and under floors.

Sadly the parquet flooring in the School Hall; was damaged beyond recovery. This has already been removed and replaced with high quality modern laminate flooring. The hall will be back in use on Thursday 7<sup>th</sup> June.

The rest of the area will be sealed off whilst contractors remove all flooring thoroughly clean and dry the areas then bring them back into full use. This is expected to take a minimum of three weeks.

We would like to extend our thanks, admiration, and appreciation to all members of the school community, the local authority and contractors who have worked on this and will continue to do so throughout this term.

Yours sincerely
