22nd June 2018

Dear Parents/Carers of pupils in years 1 & 2,

Update regarding teaching provision

Following Miss Nuttall's letter to you of 8th June 2018, we are writing to you to provide an update regarding the continued teaching provision for your child.

You will already be aware of the substantial damage to the school caused by the flooding during the half term break. This resulted in the pupils from years 1 and 2 being educated at Wouldham All Saints Primary School whilst repairs are carried out to the school building.

This week we have had a meeting with the Project Manager overseeing the repair work, to review the time frame for pupils to be able to return to Tunbury. Disappointingly, it has become evident that the area of the building affected by the flood will not be fully repaired until mid August. This means that pupils in years 1 and 2 will continue their education at Wouldham All Saints Primary School until the end of this term. Therefore the current arrangements in place will remain until the end of term.

We appreciate that this may be disappointing for you and your children, however the damage to the building has been extensive and it is paramount that repairs are completed to a high standard before pupils and staff can return to their classrooms.

We are aware that there are some events due to take place before the end of term which involve your children and we will make arrangements as smooth as possible to ensure that all children are involved as usual. We will write to you further to outline arrangements for Lavender Class Assembly, transition arrangements and Sports Day.

Thank you for your continued patience and understanding during this time.

Yours sincerely

Miss. E. McIntosh
