

# Tunbury Primary School

## Parent Consultation Group

### What is the Parent Consultation Group.

The Parent Forum is a partnership between parents and the school's senior management team to discuss school related issues and give feedback about initiatives, strengths and areas in which to grow.

We meet once a term to listen and share new ideas and concerns helping to make sure the needs of children and their families are met.

### Who are we

Shehzad Ahmad, Jo Busby, Joanne Cheese, Louise Clements, Gary Coake, Claire Collard, Joanne Ennis, Chris Huelin, Leanne Martin, Sarah Mingozi, Stacey Oliver, Cindie Shirley, David Smith, Claire Smith, Lisa Stevens, Hellen Sutton-Larkins, Suzanne Tewes

### Our Aim

- To work together to continue to improve the education and welfare provided to our children enabling them to succeed, achieve and enjoy school life.
- Further improve communication between parents/carers/staff and governors.
- Create a 'You Said – We Did' page on the school website.

*Please note WE DO NOT DISCUSS INDIVIDUAL CHILDREN/FAMILIES/TEACHERS OR RAISE COMPLAINTS.*

### When do we meet

We will be meeting once a term.

### Communication

A new Parent Consultation Group page has been added to the school website. Minutes of each meeting will be published and available for all to read. This page will also house a 'You Said – We did' area for parents to view what and how improvements have been made.

### Share your ideas with us

If you wish to raise an item for discussion at the next forum please complete the attached slip and post it in our suggestions box situated in the school reception area. Issues raised should be general issues, if you have specific concerns about your child your first point of contact should always be your class teacher.
